

THE PEICAI EXPERIENCE

DISCOVER . DEVELOP . EXCEL

Engaging in Inquiry-based Math Research

Recognising our Outstanding Students on the Principal's List, the Highest Academic Accolade in the school.

IGNITING THE JOY OF *Learning*

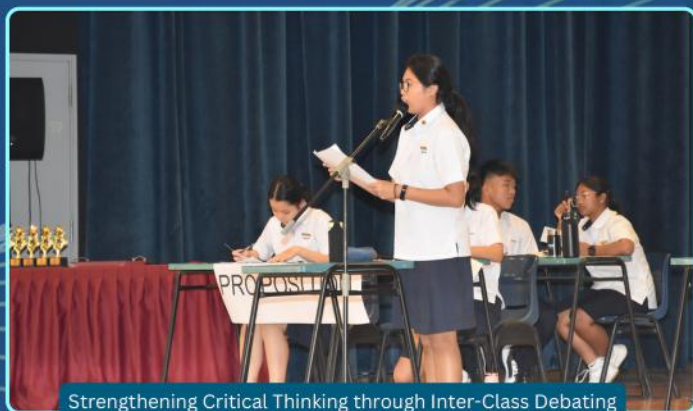

Teaching and Learning in PCSS aims to ignite the passion for learning in our students by fostering students' intrinsic motivation to be self-directed and enjoy the learning process. Engaging learning experiences, both in and out of the classroom, highly customised for the various subjects, equip our students with not just knowledge but also 21st century competencies to be future ready learners.

Using Technology during lessons to Facilitate Deeper and More Enjoyable Learning Experiences

Fostering Civic Engagement, Global Awareness, and Cross-Cultural Sensitivities among our Students

Strengthening Critical Thinking through Inter-Class Debating Championships via Words, Wits and Wisdom

Honing Communication and Presentation Skills during English Public Speaking Workshops

Strengthening Fitness and Class Spirit through Active Participating during Annual Sports Day

Exploring Contemporary Issues in Greater Depth during School Assembly

Showcasing Artistic Flair during Peicai's Got Talent

DEVELOPING STRENGTH OF *Character*

The wide variety of exciting Character and Citizenship Education (CCE) opportunities in PCSS nurture critical 21st Century Competencies (21CC) such as collaboration and communication skills as well as develop values for the future such as strength of character, resilience and a sense of belonging and pride in Singapore. These skills and values complemented by a good understanding of local and global contemporary issues enable our students to thrive in a more complex and volatile future.

Conquering Fears and Building Resilience through Team Building Activities at Outward Bound Singapore

Exploring and Deepening Knowledge of Post Secondary Pathways and Options through various Education and Career Guidance Programmes

Strengthening Rootedness to Singapore through National Service Talk by the Alumni

Understanding and Serving the Needs of the Community by Engaging the Elderly

Equipping Students with Digital Literacies to enable them to be Discerning and Responsible users of ICT

NURTURING Talents

With a variety of vibrant Co-Curricular Activities (CCAs) in the Sports, Uniformed Groups, Performing Arts as well as Clubs and Societies, students in PCSS are developed holistically with numerous opportunities to pursue their passion and talents whilst honing their skills in decision making, adaptability and ability to work in teams towards common goals.

Sports: Softball | Basketball | Floorball | Volleyball | Badminton

Clubs & Societies: Infocomm Club | Art Club | Aeromodelling

Performing Arts: Drama | Band | Modern Dance

- NPCC | Gold since 2018
- NCC (SEA) | Gold since 2016
- Girl Guides | Gold since 2013
- Modern Dance | SYF Distinction 2023
- Drama Club | SYF Distinction 2023
- Volleyball | C Division C Boys 1st place in JRT Volleyball Cup 2023
- Volleyball | B Division National School Games South Zone Top 4
- Softball (Boys) | C Division National School Games 2023 Top 6
- Softball (Girls) | C Division National School Games 2023 Top 8
- Art Club | Live On Design Festival 2023 Merit Award

Uniformed Groups: NPCC | NCC (SEA) | Girl Guides

- STUDENTS WHO CONTRIBUTE SIGNIFICANTLY TO THEIR RESPECTIVE CCAS CAN ALSO LOOK FORWARD TO RECEIVING THE FOLLOWING AWARDS (JUNIOR AND SENIOR)
- PCSS Sports Boy and Girl of the Year
 - PCSS Outstanding Cadet of the Year (Male and Female)
 - PCSS Outstanding Performer of the Year (Male and Female)
 - PCSS Outstanding Contributor of the Year
 - PCSS Colours Award

CCA ACHIEVEMENTS

Distinctively PEICAI

As a school which aims to nurture future ready students, our distinctive programmes, unique to Peicai, aim to equip our students with an innovative mindset, digital literacies, empathy and leadership competencies to enable them to step up as advocates to make a positive difference to their peers, community and the nation.

SEEK . MAKE . ADVOCATE (ALP)

- Using technological tools like Coding, Microbits and Augmented Reality (AR), students work in teams to create prototypes to advocate their innovative solutions to tackle real-world social issues.
- Collaboration with the Singapore University of Technology and Design (SUTD) where our project with SUTD was selected for presentation at the Design Education Summit 2023.

COMMUNITY AND YOUTH LEADERSHIP (LLP)

- Develop students to be committed learners and compassionate leaders. Through the **Learn . Act . Pass it On** framework, students will identify and delve deeper to understand issues faced by the community.
- Students take on the role as advocates through student initiated Values-In-Action projects at the class level, where they reach out to the community and understand community issues at a deeper level and implement initiatives to serve the community.
- Our Community Partners include the Society for the Physically Disabled (SPD), Chinese Development Assistance Council (CDAC), Food Bank Singapore and St Luke's ElderCare amongst many others.

PINNACLE@PEICAI (Talent Development)

- Our flagship Talent Development Programme is designed as a Stretching Programme for higher ability students who excel in and demonstrate passion for English, Mathematics, Science and Sports.
- As part of the programme students can look forward to exploring the subject at a more advanced level.
- Incoming Secondary One students with **AL4 or better** in PSLE for the subject will be offered direct entry to the respective subject programme.

STUDENT LEADERSHIP

- Based on Kouzes and Posner's Leadership Challenge, student leaders (Student Councillors, CCA Leaders, Class Leaders and Peer Support Leaders) are developed to be competent, confident and caring leaders.
- Under the mentorship of Teacher Advisors, student leaders hone their leadership, communication and organisational skills.
- Opportunities include attending customised Leadership Workshops, Leadership Symposiums and the Peicai-Nanyang Junior College Student Leadership Collaboration.

SIGNATURE COMMUNITY OUTREACH

- Showing support and appreciation to a special group of unsung heroes, our Bus Captains, at Serangoon Bus Interchange for their hard work.
- In partnership with Ya Kun Kaya Toast, our sponsor for the food presented to the Bus Captains by our students.

PEICAI-ZHONGHUA PRIMARY MENTORSHIP PROGRAMME

- The Unity in Technovation: Peicai-Zhonghua ALP Mentorship Programme sees our students utilise their expertise in computational thinking and inventive capabilities in crafting innovative digital solutions for real-world issues.
- Students develop their leadership and mentoring skills as they guide their younger wards in from the primary school.

Visit to the Suntory Water Plant in Nagano, Japan

OVERSEAS STUDENT EXCHANGE PROGRAMME (OSEP)

The OSEP is part of the school's internalisation efforts to deepen the 21st Century Competencies (21CC) of global awareness and cross-cultural skills and sensitivities while strengthening our students' commitment and rootedness to Singapore. Beyond interaction with their counterparts in schools, the trip also include visits to relevant industries and organisations.

Visiting Tokyo Tower

Calligraphy Demonstration Facilitated by Omachi High School Students

長野県白馬高等学校
Hakuba High School

Interaction with Peers at Hakuba High School

Upcoming OSEP includes Taiwan and Thailand

Taiwan

桃園市立建國國民中學
Chiao-Foo Junior High School

Thailand

Prasarnmit Demonstration School (Secondary)
Trilingual Plus Program

STUDENT WORK ATTACHMENT PROGRAMME (SWAP)

As the school's flagship Education Career Guidance (ECG) programme, Peicai's SWAP provides opportunities for students to gain knowledge and valuable insights into the world of work via attachment to different companies and organisations. Sectors involved include Law, Finance, Business, Design and Science amongst many others.

Attachment at Invictus Law Corporation, Legal Services

Attachment at Gain City, User Experience (UXP)

Attachment at Price Waterhouse Cooper, Accountancy

Attachment at Tribal Worldwide Singapore, Media Marketing

Attachment at Temasek Polytechnic School of Design, Media Marketing

Our Other SWAP Partners
