SINGAPORE – The Secondary 1 posting results will be released at 9am on Dec 18.

In a press statement on Dec 11, the Ministry of Education said pupils can check their postings through these channels:

- Short message service, or SMS, via a local mobile number
- S1 Internet System (<https://www.moe.gov.sg/s1-posting>) using the pupil's birth certificate number or FIN (foreign identification number), and the S1 pin
- At the pupil's primary school

Pupils do not need to report to their new schools after receiving their posting results, but should refer to the website of the school they have been posted to for more information, the ministry added.

Parents who are on the Parents Gateway portal will also receive instructions from the secondary schools from the afternoon of Dec 18.

Students should inform their new schools directly if they are unable to report there on Jan 2, with valid reasons, so that the schools can confirm and reserve a place for them, the ministry said.

A total of 40,894 Primary 6 pupils sat the PSLE in 2024. The results were released on Nov 20, and 98.5 per cent of pupils were eligible for secondary school.
