

Peicai Secondary School

Expected Behaviour

Video Conferencing (Googlemet, Youtube LIVE, ZOOM etc...)

For Student;

1. You need to alert your Form teacher if you have no internet at home or no laptop at home so that the school can help you during HBL period.
2. If you have no google email, you can approach your Form teacher or subject teachers to assist you to create one.
3. You must be responsible to be able to access SLS by using the proper loginID & password.
4. You must be responsible to be able to access any LIVE video conferencing app or links that your teachers would be using.
5. Your subject teachers will alert you (at least 1 day advance) to retrieve your HBL lessons in SLS before attending LIVE lessons with the class & your teacher.
6. You need to observe the ground rules set by the school and subject teachers e.g.
 - (a) speak politely (in case other parents or siblings may also be watching),
 - (b) no eating or snacking during session,
 - (c) not in pyjamas or going topless (for guys),
 - (d) no lying on the bed,
 - (e) not in the toilet,
 - (f) not playing online games etc.. (you can add more)
7. Please be aware that that such LIVE sessions will be part of your teachers' teaching and learning practices in Peicai secondary so you will need to put in effort to complete your assignments during HBL period.
