Dear Parents/Guardians

Assessment Structure and Weighted Assessment (WA)1 2022 **Secondary Four Normal Technical**

- 1 Assessment is integral to teaching and learning. The objectives of the WAs are as follows:
 - a) to inculcate the habit of consistent revision and to provide students the opportunity to apply acquired knowledge in a formal setting prior to the semestral examination; and
 - b) to provide a milestone check on students' learning for teachers to provide the necessary guidance and support to close any learning gaps as well as engage parents early on their child's/ward's academic progress
- 2 A Progress Report capturing the performance of your child/ward would be issued via your child/ward on the last day of Terms 1, 2 and 3. The report would enable parents/guardians to have a good sensing of your child's/ward's academic progress before the End of Year Examinations. By releasing the dates of the tests and examinations early in the year, we hope to continue nurturing our students to be more self-directed and plan their revision in advance.
- 3 The assessment structure for the various Weighted Assessments for 2022 is as follows:

	Term 1	Term 2	Term 3
	WA1	Mid-Year Examinations	Preliminary Examinations
Weighting	100%	100%	100%
Dates*	15 Feb – 24 Feb	29 April 5 May – 13 May	29 Jul – 2 Aug 11 Aug – 17 Aug

**Tentative and subject to change due to unforeseen circumstances. The school will keep students and parents updated in advance on any changes.*

- 4 It is compulsory that students sit for all scheduled WAs. As required for all assessments, students who are absent for any WA and EYE paper would need to submit an original and valid medical certificate from a medical practitioner registered under the Medical Registration Act or the Dental Registration Act upon their return to school. Students who miss any WA, MYE or EYE paper and do not have a valid medical certificate will be awarded a zero mark for the paper they missed.
- 5 WA1 will be held from **15 February (Tue) to 24 February (Thu)**. Scheduled papers for WA1 will start at 7.45 am. Students who are late for school and have to start the paper late would not be given any extra time. After the WA scheduled for the day, students would resume normal lessons according to their timetables.

- 6 Please find attached in Annex A the schedule as well as the topics/areas that would be assessed for WA1. Your child/ward has been given a copy of the WA1 schedule on 24 Jan (Mon) by his/her Form Teacher.
- 7 The Rules and Regulations for School Tests and Examinations is attached in Annex B for your reference and information.
- 8 Please note that your child/ward should NOT come to school if he/she
- tests positive for Antigen Rapid Test (ART) [see a doctor to get a medical certificate]
 - is unwell with flu-like symptoms [see a doctor to get a medical certificate]
 - is placed on Stay Home Notice (SHN) or under a Quarantine Order by MOH
- Students are to alert their Form Teachers in the above instances and the Form Teachers will guide and advise the students accordingly.
- 9 Should you have any further queries or require further clarifications, please do not hesitate to contact your child's/ward's Form Teacher or get in touch with the school via email at peicai ss@moe.edu.sg.
- 10 Thank you for your continued support and I would like to take this opportunity to wish your child/ward all the best in the upcoming Weighted Assessment.

Yours sincerely

Mr Michael Muhunthan
Principal
